PROFESSIONAL EXPERIENCE

Digital Marketer — Criar Solutions - FEB 2025 – Present

- Manage 4 client accounts end-to-end across SEO, ecommerce operations, Meta Ads, and lead generation.
- Built full technical SEO from the ground up for a local business, ranking 20+ keywords on Google Page 1 through on-page fixes, keyword strategy, and 40+ monthly backlinks.
- Diagnosed, scripted, and fully recovered a client site after a hack injected 112,000+ fake URLs and wiped all search rankings.
- Optimized content for AEO/GEO, achieving AI-powered search visibility (ChatGPT, Perplexity, Gemini) for multiple client keywords, including a #6 ChatGPT ranking.
- Built a real estate client's Meta Ads presence from zero followers and no pixel data to a 3-phase funnel generating 130+ WhatsApp leads across 420K total reach.
- Managed ecommerce Meta Ads campaigns generating approximately ₹82K in revenue from 50+ purchases, improving a failing campaign to 5x ROAS.

Social Media Marketer — Swift Technologies - Nov 2024 – Jan 2025

- Planned and executed social media content calendars to build brand presence and audience engagement across platforms.
- Created and scheduled organic content aligned with audience intent and platform best practices.
- Tracked engagement metrics and adjusted content strategy based on performance data.

Digital Marketing Intern — HD Media Marketing - Sep 2024 – Nov 2024

- Ran a 7-campaign Meta Ads test-and-scale program for a real estate client generating 598 WhatsApp leads at ₹23.76 average cost per conversation; best campaign earned Meta's "High Performing" badge at 452 conversations / ₹20.52 per conversation.
- Designed social media posters and ad creatives for HD Media Marketing's own brand using Canva.
- Performed SEO, keyword research, and on-page optimization for HD Media Marketing's own website.
- Completed the "Advanced AI-Based Digital Marketing" certification course during the internship.

KEY PROJECTS

SRS Ladies Hostel — Local SEO, Technical SEO & AEO/GEO

Ranked Page 1 for 20+ keywords | #6 ChatGPT position | 40+ backlinks/month | 112K+ injected pages recovered
